 AND 

Lutheran Public Policy Office of Washington

Washington Association of Churches

ARE UNITING TO BECOME

Faith Action Network:

A Partnership for the Common Good

A statewide partnership of faith communities striving for a just and sustainable world through community building, education and courageous public action.

The new organization will incorporate the current programs of the two organizations:

- Education and community building, such as the veterans and mental health networks
- Advocacy on public policy and social justice

PLUS - Cultural transformation to frame public discourse to promote faithful values and inspire just action
