HEALTHY FOOD. EVERY PERSON. EVERY DAY.

Kandace's husband was laid off in the wake of the COVID-19 crisis. With three kids at home, she turned to a Mobile Market free food distribution. Kandace said it was her first time asking for help, and she was so thankful that assistance was available in her neighborhood.

Hardships from the COVID-19 pandemic will continue long after the story of so many families facing hunger has left the public eye. Second Harvest is grateful for the community support that helps get food to where it's needed most.

Visit 2-harvest.org and click "FOOD NEAR ME" for a map and more information about local food banks and Mobile Market free food distributions.

HARVEST

How it works...

www.feedspokane.org
(509) 216 7364

1. Commercial Kitchen packages excess food in provided containers rather than disposing of it.
2. Feed Spokane rescues food from commercial kitchens or warehouses regularly, or as needed.
3. Extra Food is distributed to coalition member meal sites.
4. Rescued food is SAFELY SERVED to those who need it in our area.

OUR MISSION

Safely rescuing quality food to feed Spokane's hungry by nurturing sustainable community networks and charitable partnerships while eliminating food waste.
