

Deepen Our Roots for Long-Term Sustainability

Today's roots are tomorrow's branches and fruit.

Sponsors keep The Fig Tree rooted and bearing fruit each year.

With a major gift of \$10,000
from the estate of a beloved editor
at our 40th Anniversary Gala
in 2024, we gained the seed funds to establish
The Fig Tree long-term Sustainability Fund.

That will support our mission
in new ways and keep us on the cutting edge
of faith and nonprofit media in the Inland Northwest.

We are partnering with the team of gift planners
at the local office of Thrivent Charitable
to explore ways for donors
to give substantial gifts
to sustain The Fig Tree media
as an endowment/legacy fund for the future.

Help us raise an initial \$15,000!

We need a minimum of \$25,000
to launch the **Sustainability Fund**,
so we can receive assets,
be designated in wills,
be the beneficiary of estates,
have IRAs rolled over into the fund
and use other planned giving options.

CONSIDER GIVING ...

___ \$2,500 Root Nurturer	___ \$25,000 Leaf Grower
___ \$5,000 Trunk Supporter	___ \$100,000 Fruit Bearer
___ \$10,000 Branch Connector	___ \$500,000 Harvester

LET'S TALK ...
